At the top of the trench - the Motherland born from his zeal

September 27 is the historical day of the beginning of the Patriotic War in Azerbaijan. On this day, under the leadership of the President of Azerbaijan, Commander-in-Chief, Mr. Ilham Heydar oglu Aliyev, our people stood up to prevent the attacks of Armenian fascism on our lands and to liberate our lands from occupation. The people of Azerbaijan stood up. There is no national, racial, religious discrimination here. Everyone is united for the sake of Azerbaijan, everyone says Azerbaijan: Lahij, Lezgi, Talish, Tat, Kurd, Udin, Rutul are my wealth! The life embraced by Azerbaijan is my wealth! It is my honor, my arms, my glory!

The Commander-in-Chief, Mr. Ilham Heydar oglu Aliyev, proudly, confidently, without bowing to anyone, ordered on behalf of Azerbaijan: - Arm yourself! These days, our National Army is armed with hatred, a zeal stronger than cannons, rifles, tanks, and rockets. With his flaming breath, Sattar khans and Khiyabanis ignited their souls. These days, the eyes of our National Army are double barrels, their eyelashes are bullets and arrows! These days, our glorious Army is armed with vision, blood, conscience, fire that turns to a salamander bird. Armed with songs, marches and demonstrations. He is armed with the greatest wealth, the flag of humanism. His love for the world is armed with love. The world is his refuge in this battle. He will win! We will win! These days, both the earth and the sky belong to our Azerbaijan, our National Army. Garabagh is ours! Karabakh is Azerbaijan! The will of the people These days, the symbol of our freedom is the will of the people, along with the Commander-in-Chief! Today, the nation, raging like a flood of anger, will come to the end of Armenian fascism - just traitors. The Supreme Commander-in-Chief's infinite strength and power is only the people themselves! These days, as the Commander-in-Chief, our proud people, our cities and villages freed from occupation by our victorious Army are watching on television screens, their eyes are filled with tears of joy. Yes, our enemies are expelled from our lands: those who created blood lakes in Goycha district, destroyed the ruby statues of Alasgar, Uzeyir, Bulbul, Nateva, Vurgu, plucked out eyes, cut off heads are Karabakh Azerbaijan! 2 are now fired with machine guns, machine guns, and tanks.

Those who touch the borders of Azerbaijan and Turkey these days cannot turn back the wheel of history. The battle plans and battles of our National Army, the Commander-in-Chief, take refuge only in justice, truth, and freedom, and say death to usurpers and conspirators! General mobilization, all assistance, volunteers, detachments are for our front, our National Army!
