

Revenge did not end

During the thirty years when we lost Karabakh, our center of culture, the spirit of the great personalities who lived with longing for this day and changed their lives with heartache and filial piety are with us. I have been friends with most of them. I have written articles about them, some of them have a farewell speech. It is very painful to write about the loss of friends and land. This time I am talking about the historical event that brought joy and ended our relationship. May your soul rejoice! Mr. Unudalmaz Abbas, Mr. Bakhtiyar, Mr. Bekir, Mr. Fuad, Mr. Kamal (Talibzadeh), Mr. Tofiq, Mr. Kemal (Hajiyev), Aziza (Jafarzadeh), Mr. Gasim, Mr. Yashar, Mr. Aghamusa, Mr. Wasim, Mr. Fattah, Mr. Imamverdi teacher, Yavuz teacher, Museyib teacher, Bahram teacher, Khalil Reza, Qabil, Jabir Novruz, Huseyn Kurdoglu, Mammad Araz, Sabir Ahmadli, Shahmar Akbarzade, Zalimkhan Yagub, Vagif Samadoglu, Aga Lachinli, Nahid teacher, Alibala teacher, Zakir teacher (Zeynalov), teacher Bahlul (Abdulla), my fellow students - poet Matlab Misir, professor Farman Ismayilov, my beloved students - well-known scientists Zeydulla Agayev, Abila Nuraddinov, may your eyes be clear and your soul be happy! After Shah Ismail Khatai and Nadir Shah Afshar, in a period of almost three centuries, the piecemeal loss of our lands was stopped, and our identity was returned. Our most wounded place, our center of culture, Karabakh is liberated through war. Our army is expelling Armenians from our ancient and eternal lands. For nearly thirty years, numerous negotiations have been going on without any benefit. They often said: "There is no military solution to the Karabakh conflict." During all these years, our honorable President has been working for the economic development of our country, as well as leading the building of a powerful army day and night. The official name of our president is Karabakh Azerbaijan! "We have created a powerful army" - there were people who doubted his words not only abroad, but also inside the country. Our hated neighbors living with the dream of Great Armenia challenged us by relying on their patrons and their triple fortifications, tunnels, and countless heavy military equipment that they created in Nagorno-Karabakh in thirty years. It got to the point that the Prime Minister of Armenia Pashinyan declared at the summit meeting of the heads of state: "Karabakh is Armenia, period." Our President confidently said: "Karabakh is Azerbaijan!"
