The policy of the President of Azerbaijan will win

The appeal of the President of the Republic of Azerbaijan, Commander-in-Chief Ilham Aliyev regarding the situation caused by the provocation of Armenians in the front area is the expression of the truth of our independent state and people. The struggle of the heroic Azerbaijani Army for the liberation of our historical lands from the enemy is an expression of objective reality and a righteous cause: We wish that this is the last battle that brings the people of Azerbaijan to a great victory. In today's responsible days, it is our sacred duty to firmly unite around the President of our country, our Commander-in-Chief Ilham Aliyev, and provide comprehensive support to our heroic army. Our people wholeheartedly believe that the fair and decisive policy of President Ilham Aliyev will win. Exclamation mark.
