

A great victory of the victorious Supreme Commander

Clear your eyes, Azerbaijan! The Karabakh War, the Homeland War, led by the President of the Republic of Azerbaijan, the victorious Commander-in-Chief Ilham Aliyev with great skill and determination, ended with the Great Victory of our people. With the news of the Great Victory announced by the head of state in his address to the people of Azerbaijan at night on November 10, a bright sun rose over the heads of our country and people. With the indomitable will and smart, well-thought-out leadership of the Supreme Commander-in-Chief Muzaffar, the war of the Motherland was ended, and the occupation of Azerbaijani lands was put to an end once and for all. This is a unique victory in the history of Azerbaijan. President Ilham Aliyev, during the more than seventeen years of leading the independent state of Azerbaijan, has unswervingly carried out his true leadership mission for the comprehensive development of our country and its worthy place in the international world. The development of the independent state of Azerbaijan with great strides forward and the provision of the unity of people's power in our country, the increase of our role and reputation in the world clearly demonstrate that President Ilham Aliyev has fulfilled his great leadership mission at a high level and without turning back in front of the eyes of the international world. President Ilham Aliyev showed a real example of leading the military work with great skill as a strong-minded, comprehensively highly trained and determined leader in the Patriotic War, which we started for the sake of liberating our lands from occupation because we had no other choice. The extraordinary professionalism and indomitable will he demonstrated on the political-ideological front, conducting information warfare and leading military operations are the solid foundations of Azerbaijan's victories in the just Patriotic War. President Ilham Aliyev's appeals to the people during the Patriotic War of Azerbaijan and the in-depth interviews he gave to various television channels and news agencies of foreign countries have the same powerful influence as the armies in terms of their political essence, military-strategic goals and spirit of mobilization. The address of our head of state to the people of Azerbaijan on September 27 is an expression of a call to show patriotism and unity in the just war for the liberation of Nagorno-Karabakh and our surrounding lands from the Armenian occupation. Addresses of President Ilham Aliyev to the people of Azerbaijan are political-military theses that define the strategy and tactics of the tasks facing our independent state and people in the Patriotic War. These appeals are lessons of unity, patriotism and mobilization. The interviews given by the President of Azerbaijan to television channels and news agencies of different continents of the world, countries with different interests, are clear and precise statements that convey to the international community the essence of the political and military position of our independent state, the cause of justice, and the fair struggle in the processes of the Patriotic War. Addresses of President Ilham Aliyev to the people of Azerbaijan consist of real declarations of the reasons and consequences of the occupation of our ancient lands in and around Nagorno-Karabakh, the main goals of the just struggle of our independent state. These statements are also important in terms of informing the world community that Armenia, especially during Pashinyan's rule, has failed in every way and is doomed to defeat. President Ilham Aliyev's interviews are the sharpest weapon that reveals and exposes the true aggressive nature of Armenia's aggressive policy. The appeals and interviews of Muzaffar Supreme Commander-in-

Qarabağ Azərbaycandır!

Chief Ilham Aliyev are a perfect training of Azerbaijan's military strategy and tactics. They are also the lessons that clarify the turbulent pages of the centuries-old history of Azerbaijan and are objectively conveyed to the world community. The unity and solidarity, spirit of victory and invincibility of the Azerbaijani people were accurately reflected in the addresses and interviews of our head of state. Addresses of the victorious Commander-in-Chief Ilham Aliyev to the people of Azerbaijan are the most authoritative sources about the victories won in the Karabakh - Homeland War and about our lands freed from occupation. Interviews once again demonstrate that President Ilham Aliyev has a broad outlook and comprehensive training, deep knowledge and resourcefulness. The goals and tasks of the independent state of Azerbaijan in the post-war period were also reflected in the interviews of President Ilham Aliyev. Finally, the appeals and interviews of the President of the Republic of Azerbaijan, Supreme Commander-in-Chief Ilham Aliyev clearly demonstrate his ability as a military commander, his ability to analyze and evaluate the complex processes of the war period, and to lead by determining the most suitable ways out. The Great Victory won in the Patriotic War is a chronicle of the victories of the President of Azerbaijan for Karabakh, a bright page. This is Commander-in-Chief Ilham Aliyev's determination to win is a legitimate result of his indomitable will, decisive pragmatic policy, and military leadership skills. The Great Victory is a decisive success of the iron-fisted nation-state unity created in Azerbaijan in the person of President Ilham Aliyev. This is the victory of the independent state of Azerbaijan, which has developed in all respects as a result of Ilham Aliyev's wise policy. Muzaffar is the triumph of the Azerbaijani Army, the hero whom the Supreme Commander-in-Chief brought up in the spirit of patriotism and Azerbaijanism and armed with the most modern military equipment. Every address of the President of the Republic of Azerbaijan, Supreme Commander Muzaffar to our people successfully serves the fact that Karabakh is the land of Azerbaijan with an ancient history, the right cause and fair struggle of our country is justified historically and politically, and the real reality is conveyed to the world community. Muzaffar Supreme Commander-in-Chief Ilham Aliyev erected a monument in the heart of every Azerbaijani with the Great Victory, which he was the architect of. Clear your eyes, Azerbaijan!
